

January 2012

Are you ready for the gatehouse to open? Do you have your guest list and home services inputted into GateKey to allow them access into the community? If not, take a few moments to review www.Gatekey.us

“GateKey” access system, an internet based resident and guest management system, provides Residents the ability to update personal information and manage your guests online.

Each Greer Ranch resident must complete a “Resident Information Form” to initiate their entrance into GateKey. The Primary Phone Number listed on your Resident Information Form will be your initial Username. You need to contact the Clubhouse Office to obtain your password. It is strongly recommended to change the password after accessing entry into the GateKey system.

For questions or concerns, please contact the Clubhouse Management Office for assistance at 951-894-4877 or email onsite@mygreerranch.com.
